## COMPANY OVERVIEW

**FUTURE CORNER'S GROUP** was founded 2007 by Mr. Hamad Balhareth as a sole proprietorship corporation. We bring together a dynamic range of expertise and services to cater to your diverse needs. With a strong commitment to quality, sustainability, and client satisfaction, we have established a reputation as a trusted partner in the industry. Holding an ISO 9001:2015, ISO14001:2015 & ISO 45001:2018 certificates. As an industry leader, we take pride in delivering exceptional solutions in the fields of plantation and landscaping, MEP services, NDT services, oil & gas, construction services, trading, environmental services, facilities services, marine maintenance & operations services, logistics, and training and skills development.

Our relentless pursuit of excellence drives us to consistently exceed expectations and set new standards in each sector we operate. With a team of highly skilled professionals and state-of-the-art resources, we are committed to providing innovative and sustainable solutions that add value to our clients' businesses.

### VISION & MISSION:

Our vision is to be a source of inspiration and innovation, driving positive change in the business landscape and society as a whole. Through our collective efforts, we are determined to shape a future where our group of companies stands as a beacon of excellence, integrity, and unwavering commitment to making a meaningful difference.

Our mission is to ensure the optimal functioning and longevity of our services for all the sectors in which we're performing our responsibilities. We strive to deliver high-quality services, exceptional workmanship, and cost-effective solutions to exceed client expectations and contribute to their success.

### ETHICS AND VALUES:

- SAFETY
- QUALITY
- HONESTY
- TRANSPARENCY
- CONFIDENTIALITY

By adhering to these principles and values, we aim to build a workplace culture that promotes respect, professional growth, innovation, and sustainable success. Our team is well-versed to embrace and uphold these ethical guidelines in their daily tasks and decision-making processes.

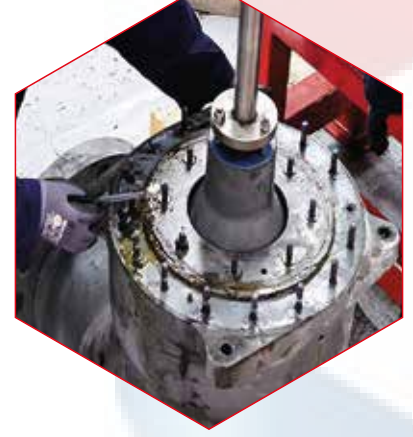

### OUR TEAM:

Our team brings together a diverse range of expertise in multiple industries to provide comprehensive solutions for our clients. With experience in plantation and landscaping, MEP services, NDT services, oil & gas, construction services, trading, environmental services, facilities services, marine maintenance & operations services, logistics, and training and skills development, we are well-equipped to meet the unique challenges of each project. From designing and implementing sustainable landscapes to offering top-notch training programs, our team is dedicated to delivering exceptional results in every endeavor.
